

## CELEBRATE AMERICAN CREATIVITY IN VIBRANT ART DISTRICTS

Art feeds the soul, lifting our spirits and offering new ways to view our surroundings. Cities around the United States have recognized this human trait and have developed lively arts districts that allow us to enjoy the work of artists of all types.

Swipe through to learn about arts districts in cities around the country.

Miami's Wynwood Art District features not only numerous art galleries, but also is home to stunning street art. Visitors are intrigued by huge, colorful murals adorning the sides of once-abandoned warehouses.

In San Francisco, you'll find several neighborhoods with numerous art galleries in studios. Check out the Yerba Buena/SoMa area, where you'll find 11 museums within three blocks. Also hit the DoReMi district, home to galleries, shops and restaurants.

In Phoenix, you'll find the Roosevelt Row Arts District, a walkable home to art galleries, shops and restaurants. The area is host to monthly art walks and annual festivals, as well. Don't miss the street art that lives up the district.

Dallas' lively arts district features not only art galleries and museums, but numerous venues for the performing arts, as well. The 68-acre, 20-square block district also offers green spaces and plenty of restaurants.

Seattle is home to several art districts. The Capitol Hill Arts District is home to more than 40 arts and cultural organizations, and the Historic Central Area Arts & Cultural District celebrates the city's African-American heritage and history. Also don't miss the Uptown Arts and Cultural District.

The Northeast Minneapolis Arts District is home to hundreds of local artists, whose work is featured in studios and galleries located in old warehouses that have been updated. Visitors find plenty of shopping and dining, as well.
